About This Content

The Grand Canyon State welcomes you! Drive through the streets of its largest city and capital, Phoenix, and discover the distinctive southern centers Flagstaff and Tucson. Enjoy the sweeping, ever changing scenery of this corner state - hypnotizing deserts, endless forests, deep canyons and wild mountains. Cross the Colorado river over unique bridges and explore many wonderful vistas and famous landmarks within this region.

Arizona (Navajo: Hoozdo Hahoodzo) is the sixth largest and the 14th most populous of the 50 states. Southern Arizona is known for its desert climate, with very hot summers and mild winters. Northern Arizona features many pine forests, the Colorado Plateau, and some mountain ranges with much more moderate summer temperatures and significant winter snowfalls.

I can't get my Thrustmaster Ferrari 458 RW to steer the truck and can't play the game. I can steer the truck off of the key board but not the controller. All other buttons on the controller work. Any suggestions would be appreciated.
